Dear Ms. Rasmussen,

Thank you for your kind letter, what you chose to say about my work on behalf of 9-1-1 professionals, and for sending me a copy of your new book 9-1-1, Who Will Answer Your Call?

Per your request, I'm pleased to provide the following testimonial:

Ms. Rasmussen's book 9-1-1, Who Will Answer Your Call?, highlights her experience as an emergency dispatcher and brings attention to the unsung heroes of our nation who dedicate their careers to helping ordinary citizens caught in extraordinary circumstances. As the Co-chair of the bi-partisan, bi-cameral Congressional E-911 Caucus and author of the Next Generation 9-1-1 Preservation Act of 2010, I'm always proud to support emergency dispatchers across the country who save lives on a daily basis.

- Congresswoman Anna G. Eshoo -

I hope this is helpful to you and thank you again for sharing about your experiences and work as an emergency dispatcher.

Most gratefully,

Anna G. Eshoo
Member of Congress
